AND COUNTY LAW**

*Upon a motion by Ms. Gulli Grunseich, seconded by Mrs. Elliott, the Board of Education unanimously approved the following Resolution:*

**WHEREAS**, subdivision (3) of section 103 of Article 5-A of the General Municipal Law provides, in part, that:

“[i] ... any officer, board or agency of a political subdivision or of any district therein [is] authorized to make purchases of materials, equipment or supplies, ...

when available, through the county in which the political subdivision or district is located or through any county within the state subject to the rules established pursuant to subdivision two of section four hundred eight-a of the county law...”  
and

**WHEREAS**, subdivision (2) of section 408-a of the County Law provides that “the board of supervisors may, in the case of any purchase contract or any contract for services, other than services subject to article nine of the labor law, ... authorize the inclusion of a provision whereby purchases may be made or such services may be obtained under such contract by any political subdivision or fire company (as both are defined in section one hundred of the general municipal law) or district....;” and

**WHEREAS**, Suffolk County Resolution 921-2011 authorized political subdivisions and fire companies as defined by General Municipal Law § 100 to use County contracts to purchase natural gas; and

**WHEREAS**, it is the intention of the County to issue a request for proposals for a gas commodity price manager and a request for bids for the supply of natural gas, and after evaluation of the responses received, the County may award a contract to a natural gas price manager or a natural gas purveyor, or both; and
